GREENER2GETHER

A Holistic approach for a Greener future: Greener Travel & Greener Energy for a Sustainable World

Objectives:

1. TO **RAISE AWARENESS** about the negative impact of carbon emissions on climate.
2. TO **ENCOURAGE** individuals to achieve zero carbon emission.
3. TO **CREATE AWARENESS** about renewable energy sources.
4. TO **INCREASE** interaction with nature.
5. TO **RE CULTIVATE** students' social skills.
6. TO **RAISE AWARENESS** about the importance of English as a common language.
7. TO **DISCOVER** different forms of communication.
8. TO **USE** information and communication technologies to carry out and generalize project activities effectively.

The number of participants expected for each mobility is **four students**, two of whom are students with **Special Education Needs (SEN)**.

The project aims to increase the students' awareness to **nature conservation** and encourage them to use **renewable energy sources** in their homes and workplaces.

It also presents an opportunity for teachers to **exchange teaching methods and practices** related to environmental issues.
